

# HP Clear Gloss Cast Overlaminates

## The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

## When long-term durability matters, you're covered

### Make sure you're covered

When you use HP Clear Gloss Cast Overlaminates, your prints can withstand the demanding conditions of outdoor display from weather to cleaning.

### Produce durable, long-term vehicle wraps

Durable, long-term applications—like vehicle wraps—are built to last. HP Clear Gloss Cast Overlaminates provides protection from UV radiation, enhances the durability of the underlying graphics, and enables maximum flexibility.

### Enjoy easy installation and clean removal

Use HP Clear Gloss Cast Overlaminates together with HP Optimal Gloss Air GRP. Air release channels make installation easy and remove cleanly for up to two years. HP Clear Gloss Cast Overlaminates is REACH compliant<sup>1</sup>—a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals.

Target customers	Applications	Benefits
Print service providers	Overlaminates solution	High-performance cast vinyl for long-term durability
	Vehicle and fleet graphics	Ease of handling and optically clear with the 4-mil poly liner
	Signage displayed on curved and flat surfaces	

## Technical specifications
