

# HP Coated Paper

## The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

## Create presentation-quality images

### Accomplish more with consistent results

From line drawings to illustrations and light ink-density graphics, see high-quality, consistent image quality print to print and roll to roll.

### Improve your response time

Handle prints with confidence right off the printer. An enhanced coating provides ink abrasion resistance to help you deliver on quick turnaround times.

### Do more, with the environment in mind

Gain versatility with this premium bright white paper. From working comps and design proofs to fine line drawings and illustrations, meet the project needs and the environmental objectives of your company and clients with this recyclable <sup>1</sup>FSC®-certified paper.<sup>2</sup>

Target customers	Applications	Benefits
Architects	Posters and presentations	Crisp text and graphics, consistent high-quality results
Engineers	POP and retail displays	Resistance to ink abrasion for easy handling
Geographic Information Systems (GIS) professionals	Geographic Information Systems (GIS)	Compatible with both Original HP pigment- and dye-based inks
Graphic designers	Architecture (AEC) Engineering (MCAD)	Recyclable through commonly available programs <sup>1</sup>
Print service providers		FSC®-certified paper <sup>2</sup>

## Technical specifications
