

HP DesignJet T200 and T600 Series 2025 Edition

Simple. Compact. Responsible.

What you get when you upgrade your plotter

The world's smallest plotters¹, intuitive and responsibly designed

Get what you need from a single plotter—and so much more!

The HP DesignJet T200 and T600 2025 Series Edition printers perform simply and effectively while also working hard to keep your business secure. They are responsibly designed and help you reduce energy² and plastics use³.

Intuitive

These HP DesignJet printers are incredibly intuitive – and they include new features and capabilities that make the printing process seamless from beginning to end.

New WHAT YOU SEE IS WHAT YOU GET

Simplify printing with HP Click Print solutions⁴ - Save time with real-print preview and automatic error detection.

AUTOMATIC SHEET FEEDER TRAY

Print multi-size A to D or E⁵ projects automatically without manually switching the media source⁶.

Supporting automatic sheet/roll source selection via HP Click Software.

WORK FROM VIRTUALLY ANYWHERE

Connect and print from any mobile device or desktop on the go with the HP App⁷.

Responsibly designed

At HP, we aim to create a more sustainable print offering from every angle – including energy use, the materials that go into our printers, and ink waste.

New RECYCLED MATERIALS

Made with at least 40% recycled plastic⁸ and the first HP large-format printers to contain certified recycled metal⁹. Minimize plastic waste by more than 50% with a new molded fiber packaging³.

New PRINTING EFFICIENCY

Save 65% energy² with the on/off auto scheduler and enjoy efficient ink maintenance routines¹⁰.

New GLOBAL RECOGNITION

These printers are certified by UL ECOLOGO^{®11} and registered in EPEAT Gold. They also achieve EPEAT Climate+¹².

Optimized

Compact, high-quality plotters with enhanced security.

FITS THE WAY YOU WORK

Save space with the world's smallest¹ plotters designed to fit your office space.

HIGH-QUALITY RESULTS

HP Bright Office Inks deliver better line accuracy¹³ and up to 34% more gamut¹⁴.

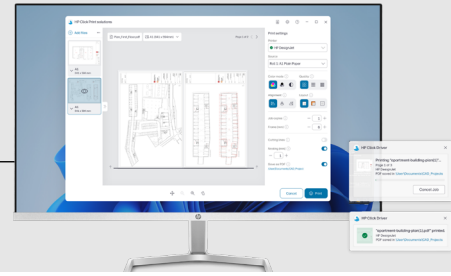

New STAY PROTECTED

Protect your printer from cyberthreats with HP Wolf Essential Security. Lay a secure foundation with hardware-powered protection.

Radically simplify your printing experience with HP Click Print solutions⁴

Including the HP Click Driver¹⁵ and HP Click App¹⁶

Save time with real-print preview and automatic error detection

- What you see is what you print—avoid surprises with real-print preview.
- Save time, ink, and paper waste with automatic error detection, alerts, and auto-nesting.
- Predefine print settings and easily print your files by simply dragging and dropping them—it even supports multi-file printing.
- Get to your final print more quickly—the new HP Click Driver is accessible from all Windows 11 Applications.
- Save-to-PDF¹⁷ when you print and avoid extra steps.

Why to upgrade

	 HP DesignJet 111	 HP DesignJet T120	 HP DesignJet T120 2018 edition	 HP DesignJet T125/ T130	 New HP DesignJet T200 series 2025 Edition

¹ Based on competitive comparison of operational footprint. Test performed by Sogeti and commissioned by HP in May 2024.

² The percentage reductions in energy consumption are based on tests conducted by HP, 2024. Data based on the implementation of auto-scheduled on/off usage in various printer models, measured on a monthly basis. Actual savings may vary depending on the specific usage patterns, printer models, and environmental conditions.

³ The HP DesignJet T200/T600 2025 Edition plotter series use EPS-free packaging with molded pulp cushions made from recycled fiber-based material. The plastic reduction is expressed as a percentage of the total packaging plastic weight. The reduction varies depending on the printer model, with at least a 53% reduction in the new 36-inch model and at least a 72% reduction in the new 24-inch model, compared to the previous T200/T600 models.

⁴ HP One-click printing with HP Click software. HP Click software is only compatible with Original HP ink supplies. Applicable to PDF, JPEG, TIFF, DWF, and HP-GL/2 files.

⁵ A0/E printing size is only available in T600 series 36" models.

⁶ Requires purchase of HP DesignJet T200/T600 Automatic Sheet Feeder accessory. Accessory not included in T200 series, sold separately.

⁷ Requires HP Smart App download available at www.hp.com/go/mobileprinting. Certain features are available in English language only, and may vary by printer model/country, and between desktop/mobile applications. HP reserves the right to introduce charges for use of functionality facilitated by the HP App. Internet access required and may not be available in all countries. HP account required for full functionality. List of supported operating systems available in App stores.

⁸ Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled content is based on the definition set in the EPEAT standard for imaging equipment, IEEE 1680.2.

⁹ Incorporation of a minimum of 5% of recycled metal, expected to be implemented in units manufactured after April 1st, 2025. Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal. This number is the minimum and may vary slightly due to manufacturing processes and material availability.

¹⁰ Use up to 96% less ink for routine maintenance vs competitor. Based on HP internal testing, June 2024, comparing the HP DesignJet T200 Printer series and Canon iPF TM printer series in terms of ink used during routine printhead cleanings.

¹¹ UL ECOLOGO® Certified HP 712 inks meet a range of stringent human health and environmental considerations. For certifications, see <http://www.ul.com/EL> and <http://www.ul.com/gg>

¹² The T200/T600 is EPEAT Gold in the U.S. and Canada and has achieved EPEAT Climate+. See www.epeat.net for registration status and tier levels by country.

¹³ Better line accuracy based on test commissioned by HP and performed by Sogeti in June, 2024. Clear lines based on the number of line breaks found in 2 mm of line. On vertical and diagonal 1px RGB (160,160,160) lines. Printed on Océ 75 g plain paper using equivalent fast print modes. For output produced with HP DesignJet T200 Printer series, Canon iPF TM printer series and Canon iPF TC-20. Test performed under the same conditions in all printers measuring with QEA PIAS II digital microscope tool.

¹⁴ Up to 34% more color gamut based on test commissioned by HP and performed by Sogeti in June 2024, of gamut volume comparing prints from the HP DesignJet T200 Printer series, Canon iPF TM printer series, Canon iPF TC-20 and Epson SC-T3100 on Océ 75gsm plain paper using equivalent fast/draft print modes.

¹⁵ HP Click Driver is compatible with Windows 11 only. See compatible models [here](#).

¹⁶ HP Click App is compatible with Windows and Mac. See compatible models: www.hp.com/hp-click.

¹⁷ Generates a PDF of the original document as specified on the source Application printing dialog settings, not reflecting any modifications made within our preview software. This functionality is only available on HP Click Driver.
