

# HP Light Fabric

## The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

## Produce brilliant, high-impact displays with this competitively priced, wrinkle-resistant light textile

### Find new profit potential with this reasonably priced light fabric

Create high-impact displays and banners for events and retail POP. This economically priced polyester fabric produces brilliant prints that resist creases and wrinkles. Offer custom work and optimize the cost advantages of this easy-to-use, knitted polyester fabric. And discover new profit potential with this versatile, lightweight textile.

### REACH compliant<sup>1</sup>

Differentiate your offering with a compelling alternative to PVC for banners and displays. This flame-resistant<sup>2</sup> light fabric is REACH compliant<sup>1</sup>—a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals.

### See excellent ink saturation for vibrant image quality

Deliver crisp image quality and bright colors with the wide color gamut produced by HP Latex Inks.

Target customers	Applications	Benefits
Print service providers	Trade show and event displays	Wide color gamut
	POP/POS and retail displays	Wrinkle and crease resistant
	Banners	An alternative to PVC for banners and displays
	Interior decorations	Flame resistant <sup>2</sup>
	Pop-up/roll-up displays	Rub- and scratch-resistant prints <sup>3</sup>

## Technical specifications

### HP Light Fabric
