

HP Production Matte Canvas, 3-in Core

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

Produce high-quality, affordable reproductions

Achieve high quality at an economical price

Produce sharp detail and accurate color on this production-oriented canvas. This affordable canvas is perfect for high-end retail signage and fine art reproductions for décor on a bright white, slightly textured matte finish.

Produce color-stable images

Produce vivid color prints on this durable, bright white polyester canvas base.

Maintain an easy, smooth workflow

To provide trouble-free printing, Original HP printing materials are designed together with HP DesignJet printers for quality, reliability, consistency, and value. This sturdy canvas is easy to handle and compatible with a wide variety of liquid laminates.

Target customers	Applications	Benefits
Retail print shops	Décor art reproduction	Print sharp detail on a durable, affordable canvas
Art reproduction houses	High-end retail signage	Lightweight, easy-to-handle substrate
Graphics-oriented print service providers		Bright white, slightly textured for high-end retail advertising
		Compatible with a wide variety of popular liquid laminates
