

HP Production Matte Poster Paper, 3-in Core for HP PageWide Technology

The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

HP large format printing materials

Get consistent, high-quality results

Achieve high-quality, durable results

Produce high-quality POS posters and GIS maps with this production poster paper that provides excellent image quality. Avoid smudges and smears—prints dry quickly and stay intact with handling. See up to 6 months in-window display permanence, unlaminated.¹

See the ColorPRO Technology difference

Produce precise lines with sharp, fine detail. See high-impact graphics with an extended range of colors. HP Production Matte Poster Paper, 3-in Core with ColorPRO Technology is designed for HP PageWide XL printers to deliver professional quality and striking results optimized for high-production environments.

Differentiate with environmental credentials

Offer your customers a recyclable,² FSC®-certified³ paper that can help them achieve their environmental goals.

Target customers	Applications	Benefits
Print service providers	POS posters	High-production printing
Retail store in-house printing	GIS maps	Visibly enhanced print quality at production speed
	Presentations	Fast dry time for easy handling
		Up to 6 months in-window display permanence, unlaminated ¹
		Optimized for HP PageWide XL printers
		Commonly recyclable ²
		FSC®-certified paper ³
