

VorTex™ Soft T230 is a 6.78 oz., 100% polyester knitted fabric treated specifically for dye-sublimation transfer, Latex and UV printing. VorTex Soft T230 is the light weight version of our VorTex Heavy T340. This product is predominantly used for banners and table throws due to its optimally smooth print surface and soft drape characteristics. VorTex Soft T230 is wrinkle resistant, fire resistant and available in widths up to 126" wide.
