

Wallscapes™ XL is a quality, durable, flexible material with a blue-back used for wallcoverings and upscale banner applications. The blue backside provides a bright white point with a wide color gamut. The material is compatible for use with solvent, eco-solvent, UV, Latex and screen printing. Wallscapes XL may be installed with commercial grade adhesives, sewn or attached with grommets. The material is available in wide widths reducing the amount of seams and installation time for finishing graphics. Available in 126" and 196" widths.

### Material Details

| CHARACTERISTICS  | TEST METHOD       | METRIC                 | ENGLISH               |
|------------------|-------------------|------------------------|-----------------------|
| Base Material    | DIN ISO 2076      | 100% Polyester         |                       |
| Coating Material | N/A               | PVC                    |                       |
| Total Weight     | DIN EN ISO 2286-2 | 350 g/m <sup>2</sup>   | 10 oz/yd <sup>2</sup> |
| Tensile Strength | DIN EN ISO 1421-1 | 1700 x 1220 N/5cm      | 194 x 139 lbs/inch    |
| Tear Strength    | DIN 53363         | 160 x 110 N            | 36 x 25 lbf           |
| Color            |                   | White                  |                       |
| Finish           |                   | Matte                  |                       |
| Fire Resistance  | DIN 4102 B1       | NFPA 701 TM2, Title 19 |                       |

### Applications

|              | Wallcoverings | Display System | Murals | Banner |
